

# Kentucky Society of Health-System Pharmacists

*presents their*

## ***2010 Fall Meeting***

***October 7-8, 2010***

French Lick Hotel and Conference Center  
French Lick, IN

**(ACPE):** Sullivan University College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. Sullivan University College of Pharmacy designates this activity for up to 1.4 CEUs (14 contact hours) of knowledge-based learning for pharmacists.

### **Kentucky Society of Health-System Pharmacists**

1501 Twilight Trail  
Frankfort, KY 40601  
(502) 223-5322  
Fax (502) 223-4937

### **Faculty Disclosure**

*In accordance with the Accreditation Council on Pharmaceutical Education (ACPE) Accreditation Standards for Continuing Pharmacy Education and the policy of Sullivan University College of Pharmacy faculty disclosure must be given prior to presentations. Full disclosure was not available at the time of printing.  
Disclosure will be given verbally prior to each presentation.*

CPE statements of credit will be distributed within 30 days upon successful completion of post-test (score of at least 70%) and course evaluation via email or via U.S. Postal Service depending upon the attendee's preference.

# Kentucky Society of Health System Pharmacists 2010 Fall Meeting

*\*Program subject to changes*

## Thursday, October 7, 2010

- 8:00 am**                      **Registration & Continental Breakfast**
- 8:30 am – 9:30 am**        **Oral Direct Thrombin Inhibitors and Factor Xa Inhibitors**  
*Daniel Lewis, Pharm.D, BCPS, Internal Medicine /Therapeutic Drug Monitoring Pharmacist Specialist, University of Kentucky Medical Center, Lexington, KY*  
0.1 CEU                      ACPE# 0617-0000-10-114-L01-P
- Discuss currently available anticoagulants, areas of use, and limitations
  - Review current and novel targets for future anticoagulants
  - Describe the potential role in therapy of oral direct actor Xa inhibitors and oral direct thrombin inhibitors
- 9:30 am – 10:30 am**      **Heparin-induced Thrombocytopenia (HIT)**  
*David Kwasny, Pharm.D, BCOP, Clinical Pharmacist, Oncology, Norton Healthcare Louisville, KY*  
0.1 CEU                      ACPE# 0617-0000-10-118-L01-P
- Describe the pathophysiology of heparin-induced thrombocytopenia (HIT)
  - Identify clinical changes and symptoms common to HIT
  - List appropriate treatment options for HIT
- 10:30 am – 11:00 am**     **Exhibit Break**
- 11:00 am – 12:00 pm**     **Anticoagulation Inpatient Practice/Management: Compliance with (National Patient Safety Goal) NSPG3**  
*Ashleigh Mouser Pharm.D, Ephraim McDowell Regional Medical Center, Danville, KY*  
0.1 CEU                      ACPE# 0617-0000-10-101-L01-P
- Define NSPG 03.05.01 and its requirements
  - Identify the role of pharmacists in achieving compliance with NSPG 03.05.01
  - Discuss the challenges with meeting NSPG 03.05.01 and potential solutions
- 12:00 pm – 1:00 pm**      **President's Welcome and University of Kentucky College of Pharmacy Preceptor Recognition Program**  
*Join us to learn about our experiential education program as we recognize our past and present preceptors.*
- 1:00 pm – 2:00 pm**        **Providing Effective Feedback**  
*Ann Amerson, Pharm.D, Professor Emeritus, University of Kentucky College of Pharmacy, Lexington, KY*  
*Anne Policastri, Pharm.D, MBA, FKSHP, Assistant Director of Experiential Education, University of Kentucky, Lexington, KY*  
0.1 CEU                      ACPE# 0617-0000-10-102-L04-P
- Identify reasons feedback on performance is important for students, residents, or employees
  - Describe elements and strategies to provide specific feedback
  - Discuss delivering feedback for different levels of performance
  - Differentiate feedback from evaluation
  - Identify areas for personal improvement in providing verbal feedback
- 1:00 pm – 2:00 pm**        **Obesity in Kentucky: A Pediatrician's View**  
*Josh Honaker MD, Chief of Division of General Pediatrics, University of Louisville School of Medicine, Louisville, KY*  
0.1 CEU                      ACPE# 0617-000-10-111-L01-P
- Define the scope of the obesity epidemic in Kentucky
  - Identify what the pediatrician sees regarding obesity in the outpatient setting
  - Discuss what can be done to combat obesity in the medical home
  - Discuss medications utilized in obese children

**Thursday, October 7, 2010 (continued)**

2:00 pm – 3:00 pm

**AIDS Update 2010**

*Russ Judd, Pharm.D, BCPS, Antimicrobial Stewardship Program Coordinator, Saint Joseph Hospital, Lexington, KY*

0.1 CEU

ACPE# 0617-0000-10-115-L02-P

- Review the history and epidemiology of HIV/AIDS
- Discuss methods for diagnosis of HIV infection and monitoring response to therapy
- Review pharmacology of antiretroviral agents
- Discuss current topics in HIV/AIDS

2:00 pm – 3:00 pm

**Current Recommendations in The Management of Alzheimer's Dementia: Shouldn't We Be Able to Offer Our Patients More Than Clinically Marginal Improvement**

*Christopher Betz Pharm.D, BCPS, Sullivan University College of Pharmacy, Louisville, KY*

0.1 CEU

ACPE# 0617-0000-10-108-L01-P

- Discuss the pathophysiology of AD and the importance of differentiating it from other dementias and delirium
- Explain the difficulty in diagnosing AD
- Identify medications which can impair cognitive function
- Discuss the medications indicated in the treatment of cognitive decline in patients with AD
- Identify potential future treatments of AD
- Explain ways that pharmacists can assess the rate of cognitive decline in patients on medications for AD and help families cop with this debilitating illness

3:00 pm – 3:30 pm

**Exhibit and Refreshment Break**

3:30 pm – 4:30 pm

**Pearls Presentations**

**Warfarin Induced Skin Necrosis**

*Kristine Swank, Pharm.D, PGY1 Pharmacy Practice Resident, Saint Joseph East Hospital, Lexington, KY*

0.025 CEU

ACPE# 0617-0000-10-104-L01-P

- Review the mechanism of action of warfarin and the potential mechanism of skin ischemia
- Identify warfarin induced skin necrosis and define the most common time period in which it occurs
- List three treatment options that may be used in combination to treat warfarin induced skin necrosis.

**The End of an Era? Will Continuing Professional Development (CPD) Replace Continuing Pharmacy Education (CPE)?**

*Kelly Walsh, Pharm.D, PGY2 Internal Medicine Pharmacy Resident, University of Kentucky, Lexington, KY*

0.025 CEU

ACPE# 0617-0000-10-103-L04-P

- List 3 weaknesses of our current continuing pharmacy education (CPE) system
- Describe the characteristics of the continuing professional development (CPD) system
- Discuss methods to incorporate CPD into our current CPE structure

**Using a Failure Mode Effects Analysis (FMEA) to Initiate Bedside Medication Verification (BMV)**

*Mike Lasley, Pharm.D, MPA, Inpatient Supervisor, Norton Suburban Hospital, Louisville, KY*

0.025 CEU

ACPE# 0617-0000-10-110-L04-P

- Describe the FMEA Tool
- Explain how an FMEA was used to initiate a BMV
- Identify situations where the FMEA facilitated changes to the initiation plan

**Thursday, October 7, 2010 (continued)**

**Megestrol for Appetite Stimulation in the Elderly: Do the Benefits Outweigh the Risks?**

*Tiffany Self, Pharm.D, Consultant Pharmacist, PCA Pharmacy, Louisville, KY*

0.025 CEU

ACPE# 0617-0000-10-113 -L01-P

- Discuss the proper dosing of megestrol for appetite stimulation
- Review adverse effects of megestrol, especially as they apply to the geriatric population
- Review data supporting the use of megestrol in the elderly
- Discuss how pharmacists can impact the appropriate use of megestrol

**What's In the Bag? Concerns Surrounding Intravenous Administration of Sodium, Water and Other Osmotically Active Electrolytes**

*Amanda Castle, Pharm.D, BCPS, Pharmacy Clinical Coordinator, Norton Healthcare, Louisville, KY*

0.025 CEU

ACPE# 0617-0000-10-109-L05-P

- Define free water and review other associated terms including tonicity and osmolality
- Describe the delicate balance between sodium and water, and identify how administration of medications including intravenous fluids can influence that balance
- Outline confounding factors associated with IV Therapy in a complex or special patient population

**Oxaliplatin-Associated Sensory Neurotoxicity: Use of Calcium and Magnesium Salts**

*Meghna Vallabh, Pharm.D, Pharmacy Resident, Saint Joseph East, Lexington, KY*

0.025 CEU

ACPE# 0617-0000-10-105-L01-P

- Explain the proposed mechanism of oxaliplatin-induced neurotoxicity
- Describe the use of calcium and magnesium salts in prevention of neurotoxicity
- List 3 preventative measures for acute oxaliplatin-related neurotoxicity

**Management of a Patient with Intracerebral Hemorrhage Secondary to Intentional Superwarfarin Ingestion**

*Michael Berger, Pharm.D, Clinical Training Coordinator, University of Kentucky College of Pharmacy, Lexington, KY*

0.025 CEU

ACPE# 0617-0000-10-106-L01-P

- Describe the mechanism and pharmacology of superwarfarin rodenticides
- Discuss the role of prothrombin complex concentrate in intracerebral hemorrhage
- Explain the need for high dose Vitamin K therapy in the management of superwarfarin toxicity

**Explanation of the Pharmacist's Role in the Healthcare Industry**

*Leah Tolliver, Pharm.D, President, Tolliver Management Group PSC, Lexington, KY*

0.025 CEU

ACPE# 0617-0000-10-120-L04-P

- Describe the new legislation for expansion of pharmacy services at the state level
- List the programs offered through the Health Care Reform Act, those having passed by the legislature and President, and those still waiting passage or veto
- Discuss possible expansions of pharmacist services with Senators and Representatives

**4:30 pm – 5:15 pm**

**Awards Ceremony**

## Thursday, October 7, 2010 (continued)

### 5:30 pm – 8:30 pm **Reception with Exhibitors/Silent Auction**

We are planning a silent auction to benefit the KSHP Foundation. Our Foundation was started about 10 years ago as a way to generate funds to award scholarships to Pharmacy students in Kentucky.

We will be auctioning baskets that have been donated from hospitals, facilities, and other organizations. If you are interested in donating a basket please contact the KSHP office.

## Friday, October 8, 2010

### 7:30 am – 8:00 am **Registration & Continental Breakfast in Exhibit area**

### 8:00 am – 9:00 am **Leadership in Health-System Pharmacy: Researching our Vision for Practice**

*David Chen R.Ph, MBA, Director of Pharmacy Practice Sections, Section of Pharmacy Practice Managers, American Society of Health-System Pharmacists, Bethesda, MD*

0.1 CEU

ACPE# 0617-0000-10-116-L04-P

- Describe the basics of leadership versus management
- Provide the context of leadership that transformed health system pharmacy practice
- Describe the leadership needs to promote future growth of health system practice
- Share skills and strategies to be an effective leader
- Describe the ASHP and ASHP Foundation Pharmacy Practice Model Initiative

### 9:00 am – 10:00 am **Medication Safety and Health Care Reform: The Impact of New Regulations and Reform on Hospital and Health System Pharmacy Practice**

*David Chen R.Ph, MBA, Director of Pharmacy Practice Sections, Director, Section of Pharmacy Practice Managers, American Society of Health-System Pharmacists, Bethesda, MD*

0.1 CEU

ACPE# 0617-0000-10-117-L05-P

- Describe recent medication safety activities and how they are driving the development of REMS and medication management requirements
- Identify components of REMS, MedGuides and what we are anticipating in the future
- Discuss health care reform opportunities for hospital and health system pharmacists
- Explain “No-Pay”, accountable care organizations, MTM grants, medical homes and their potential impact on pharmacy practice
- Describe ASHP advocacy on health care reform and the “what next” for pharmacy

### 10:00 am – 10:45 am **Exhibits and Refreshment break**

### 10:45 am – 11:45 am **A Pharmacist’s Story of Diversion and Addiction**

*Jared Combs Pharm.D, University of Kentucky Medical Center, Lexington, KY*

0.1 CEU

ACPE# 0617-0000-10-112-L01-P

- Discuss key statistics highlighting current drug use trends
- Identify 3 potential consequences of drug diversion
- Recognize signs and symptoms of professional impairment
- Discuss options when presented with the situation of an impaired co-worker

### 11:45 am – 1:00 pm **Luncheon – Installation of New Officers**

**Friday, October 8, 2010 (continued)**

**1:00 pm – 2:00 pm**

**Bridging the Gaps - Ambulatory Diabetes Clinic and MTM**

*Tina Claypool Pharm.D, University of Louisville HealthCare, Louisville, KY*

0.1 CEU

ACPE# 0617-0000-10-119-L01-P

- Discuss the disease management model and implementation
- Identify key components of a pharmacist-directed diabetes management program
- Describe results of diabetes management program: clinical, economic and challenges

**2:00 pm – 3:00 pm**

**Addressing Healthcare Disparities in Kentucky: Bridging the Gap through Clinical Telepharmacy**

*BC Childress Pharm.D, Sullivan University College of Pharmacy, Louisville, KY*

0.1 CEU

ACPE# 0617-000-10-107-L04-P

- List the major health disparities that currently exist in Kentucky
- Differentiate between Clinical Telepharmacy and other models of Telepharmacy
- Describe the goals and mission of Clinical Telepharmacy in Kentucky
- Discuss the implications of Clinical Telepharmacy Research
