Pharmacy Day at the Capitol:KSHP and KPhA Joint Venture

On Thursday February 20, 2025, Kentucky pharmacists and student pharmacists headed to Frankfort for Pharmacy Day at the Capitol in a joint venture with KSHP and KPhA. Many sessions were held with lawmakers and approximately 90 pharmacists and student pharmacists were in attendance to help advocate for the

pharmacy profession. Thank you to all who were able to join and we are excited for this day to continue to grow and ensure pharmacists remain at the forefront of the conversation as healthcare providers.
