Committee Spotlight – Membership and Marketing

KSHP currently has eight committees and one subcommittee that help keep the organization running smoothly. This month we highlight our membership and marketing committee who is responsible for growing and retaining KSHP membership through communication, enrollment drives, and an assessment of membership experience every two years. They plan the annual fall renewal drive, spring recruitment drive and maintenance of membership rosters. Do you have exciting ideas for engaging pharmacists, residents, students or technicians? If you

are interested in becoming a member of the committee, please complete the KSHP volunteer form [HERE](#) and reach out with any questions to the Membership and Marketing Committee Chair, Dr. Jessalyn White, at membership@kshp.org.
