Committee Spotlight – Awards and Nominations

KSHP currently has eight committees and one subcommittee that help keep the organization running smoothly. This month we highlight our awards and nominations committee who is responsible for soliciting and reviewing recommendations for individual and health system applications to be publicly recognized for their important contributions to pharmacy practice in Kentucky. They also conduct elections for officers within KSHP and promote leadership opportunities within and outside the scope of KSHP. This is a great “starter” committee to begin your journey within KSHP. If you are interested in becoming a member of the committee, please complete the KSHP

volunteer form [HERE](#) and reach out with any questions to the Awards and Nominations Committee Co-Chairs, Dr. Payton Lewis (pwaltz@ecomunity.com) or Dr. Tara Neitzel (tneitzel@emhealth.org).
