## *Committee Spotlight – Organizational Affairs and Documents*

KSHP currently has eight committees and one subcommittee that help keep the organization running smoothly. This month we highlight our **Organizational Affairs and Documents Committee** who is responsible for providing guidance and oversight for the KSHP Board and membership regarding matters pertaining to how the Society's business is conducted

and recorded. The committee reviews bylaws of the society, assists with policy and procedure creation and maintenance and ensures the society's webpage accurately reflects the work of KSHP. If you have interest in reviewing policies and procedures and are interested in joining the committee to help our Immediate Past President, please complete the KSHP volunteer form HERE and reach out with any questions to Dr. Rachel Swope (pastpresident@kshp.org).
